

Devon Minor Hockey Benevolent Fund Subsidy Application Form

The Devon Minor Hockey Benevolent Fund was created to help subsidize children in Devon that want to play hockey but may not have the means to pay for it, or to help families who are struggling to afford the fees. In the past, executive members recognized certain families that were having difficulties in covering the registration costs of minor hockey, and therefore waived a portion of the fees. Today, a portion of the late fees collected at the time of registration are diverted to the benevolent fund so that we can give back to the community.

Should someone you know is having troubles in covering the cost of the registration fees, a request must be submitted in writing (by using this form) to the DMHA President or Treasurer. Prospective applicants can be nominated to be the beneficiary of the funds by a community member, a member of the executive, or by self-request.

The program is to subsidize the fees, and not meant to be paid out in full, so a successful applicant will only receive a portion of the remaining fees which will be applied to the balance of the accounts remaining unpaid.

Application forms will be reviewed by the DMHA President and Treasurer. Once they have made a decision, the applicant and beneficiary will be contacted with the outcome of the application.
