

Attention All U13 Parents

The following are important details regarding evaluations:

We have enough registrations for 2 teams for the 2024-25 season.

Players will be broken out into 3 groups for evaluation purposes.

The participants will be evaluated during their respective skills sessions and game play throughout this weekend.

Please continue to monitor the website for which group your child is placed in. Groups will be posted by Wednesday night. Please make sure to confirm time slots as players will only be allowed to evaluate for the time slot that they are assigned to.

Evaluation jerseys will be handed out at the front of Dale Fisher Arena prior to your time slot. Please check with volunteers to get your assigned jersey. Please make sure all jerseys are returned to volunteers after **EACH** time slot. If your child has 2 time slots in one day, the jerseys can be returned after the second time slot.

Penalties will be called during the game; all penalty calls will result in a penalty shot for the opposite team. This will allow all to be always evaluated at 5 on 5 play.

Goalies will rotate each period to ensure fair distribution of ice time. We have 2 hybrid goalies that will dress as players for the skills sessions and the games as goalies will not be evaluated at this time.

Parent volunteers will be needed to run the bench for each game. Parents will not be permitted to stand on the same bench as their own child. Reminder that volunteers on the bench are not there for coaching purposes. Please do not advise children in any way. These volunteers will only be present for opening and closing doors and to do their best to ensure equal ice time among players.

Kids are to play in the positions that they are registered for.
